

# Artist Presentation Outline

Choose an artist you liked from the units we studied and make a short presentation that lasts one to five minutes, depending on your age. Your job is to share a few facts about the artist and explain your own thoughts about their music.

**Artist Name:**

**When were they born?**

**Where did they live?**

**What instrument did they play?**

**What were they known for?** (Their style, their sound, or something they changed in music)

**Choose one song by your artist.** Write the title and explain why you picked it.

**Share your own ideas.** (What you liked about this artist, what surprised or inspired you)

If you want to add more to your presentation, you can include extra details such as a drawing of the artist, a small poster, a list of other songs you enjoyed, or a fun fact you discovered.
